संदर्भ :- आपका पत्रांक मैमो/12-1(2) दिनांक 06.10.2017 ।

उपरोक्त विषयक संदर्भित पत्र के क्रम में आपको अवगत कराना है कि इस कार्यालय के पत्रांक 1641/18 सी0 दिनांक 01.08.2017 द्वारा आख्या आपको बिन्दुवार ही प्रेषित की गयी थी। पुनः बिन्दुवार आख्या निम्नवत है :-

1	In reply to point no- 1 & 2 of EDS, it is men tioned that the revised KML file for the proposed CA area has been uploaded at para-L (iv) (0) of online Part -I but the same old KML file having an area of 92-00 ha instead of 7.70 ha has been found uploaded without any chang. State Govt. may review the reply and upload revised KML file for the proposed CA area measuring 7.70 ha. It may also be ensured that the 7.70 ha area proposed for CA do not fall in VDF or MDF because 26.00 ha area out of 92.00 ha area shown in KML file falls inMDF.	The revise KML File uploaded at online Part-I L and C. The CA are not modertely dense forest.
2	It seems that the CA is being proposed in the land bank in Billekh Civil & Soyam land. Therefore, while showing the land for CA for the project in question, it should be ensured that the land does not overlap with the CA land proposed against other porjects.	Out of 51 ha land bank allotted to this Division for C.A. in billekh, proposed 7.7 ha are lies out of moderately dense forest and the ensured that the land does not overlap with this CA land proposed against other projects.
3	In reply to point no 5 of EDS, it is mentioned that the geo- referenced digital map for the forest land proposed for diversion along the alignment of road has been uploaded at para-C(iv) of online Part-I but the map has not been authenticated by the DFO and user Agency. The map duly authenticated by DFO and the User Agency is required to be submitted.	The revised geo reference digital map uploaded at L in C part I
4	Addl.PCCF and Nodal Officer has mentioned in the letter no. 542/FP/UK/ROAD/9349/2015 dated 09.08.2016 that the hard copy of the proposal is enclosed.. But, it is seen from the hard copy enclosed with the letter that the name of the road is mentioned as Bayela-Nad motor road instead of Extention of Kotila Gwad Motor road up to Suarikheth and the area of forest land proposed for diversion is mentioned as 4.417 ha instead of 3.85 ha. Therefore, it is seems that the hard copy of another proposal has been sent wrongly by the Nodal Officer. State Govt. may send the hard copy of the proposal containing original/attested photocopies of all the documents excepts FRA certificate, geo referenced digital maps of the forest land proposed for diversion and the land proposed for CA, CA scheme , CA site suitability certificate, enumeration list & Part-III,IV & V which are required in original copies.	The hard copy with original document submitted in Nodal Office Dehradun forwarded by this office letter no- 1597/18 C dated 28.07.2017.
