The Nodal Officer(FCA),
Additional Principal Chief
Conservator of Forest

No.:- 11028-33

Dated: 10-09-2022

Subject: - Reply of EDS raised on dated 08-08-2022 for Balance work of Manda Koyli road km 4th onwards.

Ref.: Proposal No.:- FP/JK/ROAD/155313/2022.

Sir,

In reference to the above mentioned proposal, this office received EDS on dated: 08-08-2022 that entire stretch from start to Koyli has to be depicted in the KML file for both Phase I and II and also in SOI map administrative approval from the PWD (R&B) department is required mentioning phase I and II. The detailed reply regarding the matter is as under.

1. The project for the construction of road i.e balance work of Manda Koyli road km 4th onwards (Phase Ist) for a length of 4.00 km sanctioned under state sector Projectization. However, the road for a length of ist 4.0 km is already completed upto B.T under Languishing head, which was not sufficient to connect the habitation of koyli due to which extension of 4.0 km project under State Sector sanctioned during financial year 2022-23 to connect remaining habitation of Koyli. Therefore, there is no requirement to depict the KML file of Phase II.
2. The total length of road for connecting the habitation is 8.00 km. In phase I, 4.00 km sanctioned and completed and further 4.0 km length yet to be executed for which forest clearance is required and same is applied.
3. The habitation of Koyli exists in Km 8th (450-750) of the road and shall be connected in phase I. The project of Phase I is sanctioned and to be completed as per prescribed time period and after completion of Phase I the Project of Phase II may be proposed.

Therefore, in view of above mentioned facts it is requested to your goodself to give NOC for Phase I of particular stretch only, which is urgently required to execute and complete the project. As the work is held up due to involvement of forest land.

Yours faith fully

Executive Engineer
PWD(R&B) Division
Rajouri
