With reference to the subject cited, It is here with submitting the EDS reply as follows

Sl.No,	EDS	Reply
1	Certain portion of the road is not included in diversion, whether it is a enclosure or otherwise details is to be furnished.	The road was identified and sanctioned by the Ministry of Home Affairs (MHA), GOI in consultation with the State Home Department and Intelligence Department to combat Left Wing Extremism in the area and the State R&B Department has no role in identifying the road proposal from Movad to Chorpally. Improvement of this particular road from Movad to Chorpally is critical for Secure and Seamless movement of the Security personnel during anti extremist operations. It is further informed that in "Road Connectivity Project for LWE Affected Areas (RCPLWEA)" population of the habitation is not a consideration at all, as the primary objective is providing seamless connectivity, area security and area domination along with smooth movement of security forces in the LWE affected areas by construction/ upgradation of specifically identified roads.

Yours faithfully,

 District (R&B) Officer,
(Executive Engineer),
Kumrambheem Asifabad
