

Full Title of the Project: Construction of 33/11 KV Electrical Sub Center Shri Naina Devi Ji which falls in the Jurisdiction of Modar Village, Tehsil Shri Naina Devi Ji at Swarghat, Bilaspur District, H.P
File No. : FP/HP/SubStation/148224/2021
Date of Proposal: 08 Oct 2021

CHECK LIST SERIAL NUMBER – 04
DETAIL NOTE ABOUT THE PROJECT

HPSEBL, Bilaspur proposed to construct 33/11 KV Electrical Sub Center Shri Naina Devi Ji which falls in the Jurisdiction of Modar Village, Tehsil Shri Naina Devi Ji at Swarghat, Bilaspur District, H.P. The total Forest land involved for the construction of this project will be 0.2 hectare. The Scheme will be cover the one forest division, i.e. Bilaspur Forest Division. Being it the most feasible, the project has to be necessarily passed through forest land. Final Site has been recommended as it has lesser tree involvement, minimum use of the forest land.

The approximate demand of the area to be shifted from existing sub-Station Kot to proposed 33/11 KV Sub-Station Shri Naina Devi Ji shall be approximate 1.529 MVA and the present load demand invariably is increasing.

Therefore, keeping in view of above actual load demand of existing feeding Power Sub-Stations and to meet up to the feature load demand of prospective consumers as well as I&PH Department upcoming schemes, the feeding power Sub-Stations will be over loaded shortly. Therefore keeping all these facts in view 33/11 KV, 1*3.15 MVA power Sub-Station (Manned) is proposed to be installed at Shri Naina Devi ji which will not only save the transmission loss but will also give load relief to the present feeding power Sub-Stations (33/11 KV Kot) and provide better reliability of supply to the Shaktipeeth Shri Naina Devi ji Temple and respective consumers of the area.

Assistant Engineer,
Electrical Sub-Division
H.P.S.E.B. Ltd. Bilaspur
Distt. Bilaspur (H.P.)

Sr. Executive Engineer,
Electrical Division
