NOTES :-
Heights are in metres and above Indian mean sea level.
Contours are approximate.
The triangulated heights and contours in this sheet have not been adjusted to the heights of the spirit-levelled bench-marks and may not be strictly in accordance with them.
The administrative boundaries in this sheet have been surveyed as pointed out by the local officials on the ground but have not been verified by the authorities concerned.
A relative height, 'h', represents the approximate height, in metres, between the top and bottom of a steep slope.
Forest boundaries have not been shown due to want of reliable information.
