No. NH/UPS/GM/2021/ 66

Dated: 28.07.2021

The District Development Commissioner,
Office of the Deputy Commissioner,
District Baramulla - (J&K)

Sub: Diversion of Underground Forest land in respect of Uri - 1 Stage - II H E Project. NOC thereof.

Sir,

The proposed project Uri 1 stage II HE Project will utilise the already completed structures of existing Uri - 1 stage - I including Barrage, Cut and cover culvert, desilting basin, Open power channel, Adits. A parallel separate HRT is proposed to be constructed for Uri -I, Stage-II HE Project along with surge shaft, pressure shafts and a separate underground power house (near the existing underground power house of Uri-I Power Station).

In this regard, an indent for proposed diversion of Forest land required for the project components viz HRT, surge shaft, pressure shafts and underground power house TRT and other allied structures, shall fall underground and as such there will be no diversion of surface forest land, as well as the diversion of forest land will not involve any tree cutting. The application for diversion of underground Forest land for the project has been initiated online through PARIVESH portal. It is expected that 17 hectare of underground forest land shall be required for diversion purposes.

Although, the proposed structures of the project shall be underground only and the existing structures of Uri 1 stage - I will be utilized, there will be no involvement of surface forest land. As a codal requirement, it is requested to issue NOC with regard to non-availability of state/private land in lieu of the underground forest land involved in the diversion for construction of Uri - 1 stage - II HE Project.

Yours Sincerely,

(M.K Gupta)

General Manager -(C)

Revenue Department Jammu,
(J&K).

Sub: Land availability for Uri-I Stage-II HE Project: NOC thereof.

Sir,

Uri-I Stage-II H.E. Project is the extension of Uri-I Power Station (480MW). Uri Power Station commissioned in 1997 by NHPC, is a run-of-the river scheme and has been operating successfully since then. Uri-I Stage-II H.E. Project is planned as per the provision kept in the DPR of Uri H.E. Project (now Uri Power Station). Parallel to the existing underground Head Race Tunnel (HRT) of Uri Power Station, a separate HRT has been proposed to be constructed for Uri-I Stage-II H.E. Project along with Surge Shaft, Pressure Shafts, a separate underground Power House (adjacent to the existing underground Power House of Uri Power Station) and an underground Tail Race Tunnel (TRT).

For execution of Uri-I Stage-II HE Project (240 MW) on the river Jhelum in Uri Tehsil of UT of J&K, an MoU has been signed between Govt. of UT of J&K and NHPC Ltd. on 03.01.2021. Subsequently, NHPC has initiated preparation of DPR and Survey & Investigation activities.

No private land and/or defence land is required for construction of Uri-I Stage-II HE Project. Only forest land (underground construction - 17 ha) is required and for Forest Clearance, case has been processed through Parivesh Portal.

As per CEA Letter No. 81/3/2021-HPP&I dated 04.10.2021 for submission of pre-DPR chapter, NOC for the land availability is required from the Govt. of UT of J&K.

Keeping in view of the above, it is requested to issue NOC in favour of Uri-I Stage-II HE Project.

Thanking You.

Yours Sincerely,

(Prakash Parmar)

Sub: Proposal I/o Uri-I Stage II HE project (330 MW) under Forest
(Conservation) Act 1980 – **Land Availability/ NOC Certificate thereof.**

Sir/,

With reference to letter No. Rev-Sett/97/2022 (142934) dated 02.03.2022 from
Revenue department Govt. of J&K. in this regard it is submitted as below:

An indent had been placed under forest (conservation) Act 1980, vide No.
FP/JK/HYD/144277/2021 dated 29.07.201 for diversion of forest land in JV
Forest Division Baramulla. Further, land measuring about 17 Hectares
proposed for construction of underground tunnel of Uri-II, Stage-II HE Project,
Uri Tehsil.

**As per 2.3 of hand book Forest Conservation Act 1980 & Forest
Conservation Rules 2003 (Guidelines & Clarifications), Compensatory
Afforestation is to be raised on suitable non-forest land, equivalent to the
area proposed for diversion, at the cost to be paid by User Agency.**

In this regards, you are requested to provide an equivalent degraded state
land in District Baramulla for Compensatory Afforestation in the instant FCA
case.

Yours Sincerely,

(Dr. G.S.S.H. Vara Prasad)

Senior Manager (Environment)

OFFICE OF THE DEPUTY COMMISSIONER BARAMULLA.

Dated: 31.08.2022

The Additional Deputy Commissioner,
Baramulla.

Sub: Land Availability/NOC in respect of Uri I Stage II HE Project– Reg.

Sir,

With reference to the letter NH/HOP/UPS/Env/2022/camp/1 dated 21.07.2022 (copy enclosed) and the discussion with our officers on the matter pertaining to Land Availability/NOC on dated 30.08.2022 in connection with the Forest Clearance for the underground forest land to be diverted for the construction of Uri I Stage II HE Project.

In this regard, it is requested that in order to identify the barren/non forest state land for mandatory Compensatory afforestation as per Forest Conservation Act 1980 and Forest Conservation Rule 2003 a coordination meeting with concerned Departments including NHPC Ltd, Revenue Department and DFO office may please be convened so that further necessary action may be taken.

It is to mention here that the Compensatory Afforestation shall be raised on the suitable non-forest land equivalent to the area proposed for diversion of the Forest Land.

Thanking you,

Yours Sincerely,

(Ajay Mathur)
