

## **SOIL SUITABILITY CERTIFICATE**

Certify that I have inspected the site of Compensatory Afforestation land i.e., 52.43 Acres or 21.213 Ha in Sy.No.107 & 109/3 (old Sy.No.85) of Kaigallu village of Baireddipalle Mandal, which is adjacent to Compt. No. 246 & 247 of Thotakanuma RF & Beat, V. Kota Section, Palamaner and as reported by the Forest Range Officer, Palamaner the site selected is suitable for raising C.A. Plantation after ascertaining soil & rainfall requirements. I am satisfied that the selected site is suitable and fit for raising plantation by following the pit method i.e., 1.00 M cube pits for about 21.213 Ha with Species like Narepi, Thapasi, Red sanders etc., and balance area with strict protection clubbed with SMC works.

  
Divisional Forest Officer  
Chittoor West Divn. Chittoor.
