

JOINT INSPECTION REPORT

The joint inspection of the site for the diversion of **1.5198** hectare forest land having Khasara Numbers 643/1 and 643/2 of revenue Mohal Garnota, Tehsil Bhattiyat, Distt. Chamba (H.P) for the construction of the building of newly opened Govt. Collage Sihunta was conducted on **08.08.2016** by the committee.

The User Agency has proposed construction of the building for newly opened Govt. Collage on the forest land to run graduate classes. There is no other suitable land for the purpose at the proposed site. There is no scope of avoidance of forest land, however all efforts have been made to minimize the use of the forest land. The diversion of **1.5198** hectare forest land is minimum and cannot be escaped.

There is no common path, water bodies, religious institution, cremation ground etc. on the above said land. The 33 Nos of green trees of Chil and other B/L species are standing on the proposed forest land, which will be enumerated by the forest department and the list of the same will be submitted separately.

The joint inspection committee therefore recommends diversion of the proposed forest land under section 2 of FCA, 1980 for the purpose.
