

“ CERTIFICATE FOR COMPENSATORY AFFORESTATION ”

&&&&

It is certified that the diversion area proposed for erection of obstacle light mast for aviation purpose at Kadapa Airport is 0.02 ha i.e. less than 1.00 ha. In such case, 10 times to the number of trees to be felled in the diversion area shall be taken by way of Compensatory Afforestation in the identified degraded forest areas.

Accordingly the user agency has given an undertaking certificate on raising of Compensatory Afforestation as proposed by the Department.
