Sub: Diversion of 10.106 Ha forest land (proposal no. FP/JH/TRANS/120412/2021) for construction of 132 KV D/C transmission line from DVC Hazaribag (Sindoor) to TSS Hazaribag of ECR, Dhanbad.

Ref: Your office Lt. no. 4758 dated: 04.10.2025.

Dear Sir,

With reference to the above & EDS raised by the Regional office, Govt of India, the point-wise compliance is as follow:

Sl. No.	EDS	Compliance
1	The committee demanded a comprehensive Wildlife Management Plan for the proposal for further consideration.	<i>Duly approved Wildlife Management Plan is attached as annexure-I.</i>
2	REC pointed out that since felling of trees (Sl. No.14) and Raising of Electric Towers (Sl. No.16) are the Regulatory activities in the Eco Sensitive Zone (ESZ) notification order dated August 01, 2019 of Govt. of India, hence it desired a copy of the Zonal Master Plan from State Govt. if made any. Further, the committee emphasized that User Agency should follow the provisions made in the Master Plan, if prepared. Therefore, an undertaking from user agency to the effect may be submitted.	Undertaking in this regard is attached as annexure-II.

Therefore, it is requested that the compliance report may kindly be processed and forwarded towards obtaining of Stage-I clearance.

Thanking you,

Yours faithfully

(Rakesh Ranjan Keshari)

- (iii) That the User Agency shall ensure that its officials/contractors and the work force engaged into transmission line laying and allied works shall not commit or abet any forest/wildlife offence in their area of operation. They will also promptly report any forest/wildlife offence in the area to the nearest forest office/official. Further, they will extend their full cooperation to the forest officials in control/mitigation of any incident, natural or manmade, detrimental to forest and wildlife in their area of operation.
- (iv) In the cases of management of lands of Protected Areas/forests under transmission lines will be followed while implementing of the project and with special considerations for protecting elephants from accidental electrocution by keeping height above ground at the lowest point of the lowest conductor or grounding wires (i.e. at maximum sag point) of power lines and also to avoid electrocution to avifauna and other arboreal species.
- (v) The entire length of the proposed power line between Hazaribagh (Sindhur) Substation of DVC to TSS of East Central Railway, Dhanbad should be marked with appropriate bird diverters spaced at 10 m intervals. The bird diverters shall be regularly checked and maintained by the User Agency.
- (vi) The user agency and project personnel will comply with the provisions of Standard SOP/Guidelines issued by WII, Dehradun for linear projects.
- (vii) Any felling/pollarding/pruning of trees for allowing electrical clearance/maintenance will be done with the permission of the DFO, Hazaribag West in their respective jurisdictions. Only those trees that are of sufficient height to compromise the requirements of minimal vertical and horizontal clearance from the conductor wires at maximum sag point should be lopped.
- (viii) The gabion plantation of native, palatable species suitable for wild ungulates should be actively promoted by the user agency in collaboration with Jharkhand Forest Department below the power-line in order to avoid invasive species likely to come up due to periodic clearing of vegetation along the power-line.

- (ix) That the amount of Rs. 279.43 lakh shall be deposited by the User Agency into CAMPA account only through <https://parivesh.nic.in> under the relevant head/sub-head which shall be utilized by the State Forest Department through the DFO, Hazaribag West as delineated under the Plan, strictly in accordance with the prevailing norms under the Jharkhand Forest Department.
- (x) That the User Agency shall implement the mitigation measures/activities mentioned under the Plan. The implementation shall be done under the directions and strict supervisions of DFO, Hazaribag West.
- (xi) That the DFO, Hazaribag West shall prepare detailed Annual Plans of Operations (APOs) in the beginning of every financial year during the Plan period, as provided in the instant Plan, following all the rules, regulations, Schedule of Rates etc. issued from time to time by the State Government/ Forest Department. RCCF, Hazaribag in case of DFO, Hazaribag West shall accord sanctions to the said APOs following due process and they will respectively closely monitor the implementation/progress of the activities undertaken by Hazaribag West Forest Division as per directions issued by the Forest Department from time to time.
- (xii) That the CF, Hazaribag shall supervise all the activities under the Plan undertaken by Hazaribag West Forest Division as per directions issued by the Forest Department from time to time.
- (xiii) That the DFO, Hazaribag West shall carry out the activities under the Plan strictly as per the duly sanctioned APOs.
- (xiv) That the DFO, Hazaribag West shall ensure that no violation of duly sanctioned Working Plan of Hazaribag West Forest Division takes place during implementation of any of the activities involved in this plan over notified and demarcated forest land.
- (xv) That the instant Plan is dynamic and shall be revisited after every 2 years and a revised plan may be formulated as per need of the project impacted area and convenience of the implementing agencies. The revised plan, if any, shall be put up before the Principal Chief Conservator of Forests, Wildlife & Chief Wildlife Warden, Jharkhand for its due approval.

(xvi) That the User Agency shall submit an Undertaking to the DFO, Hazaribag West to the effect that they will deposit extra cost of the plan owing to increase in wage rate, cost of materials etc. in due course of time as well as consequent upon revision of the plan, if any, as and when given effect to by the competent authority.
