

**ROADS AND BRIDGES DEPARTMENT
GOVERNMENT OF SIKKIM**

TO WHOM IT MAY CONCERN

Justification for "Construction of link road from Andheri Bridge NH10 to upper Samdur, under Namcheybong Constituency, East Sikkim".

The sanctioned scheme requires forest clearance as it passes through forest land. This project falls in the East district of Sikkim, the road serves as the only link of connectivity for the residents of upper Samdur to the NH 10. The proposed road is 3.5 Km. There are no other means of vehicular transportation facilities to the village to connect with the national highway. The road on completion shall act as a lifeline for the residents of Samdur for transportation and help to avail all the facilities, which are now not available in the village.
