

## Deputy Conservator of Forests, Tonk

### Calculation of Penal Compensatory Afforestation Amount

It is to certify that due to violation of Forest Conservation Act, 1980  
Penal Compensatory Afforestation 10 times of area is as under :-

Propose Area for diversion                      2.1 ha

Violated area    2.1 ha

Penalty for affected violated Area (10 times of violated area)

$$2.1 \times 10 = 21 \text{ ha.}$$

Amount for Penal CA =  $21 \times 1,29,000 = 27,09,000$  (Twenty seven Lakh  
nine thousand only) rates are taken from approved model for  
Plantation in Degraded Forest Area.
