Subject: Capacity enhancement of Upper Kurmi SHEP from 5.00  
MW to 8.00 MW.

Dear Sir,

This has reference to your request refer No.  
VHP/UK/03/14 dated 26.9.2014 on the subject cited matter.

The PFR submitted by you with your above request has been examined at the level of Directorate of Energy and it has been observed that the project is technically feasible for an installed capacity of 8 MW. However, the installed capacity of the project will be firmed up/ finalized only after examining the Detailed Project Report. After firming up the final capacity at the level of DoE the firm will deposit upfront premium, additional free power royalty and any other charges with DoE on account of enhancement of capacity as per prevailing policy provision.

You are therefore requested to submit the DPR for enhanced capacity of 8 MW within 21 days alongwith the extension fee payable to Himurja as conveyed to <sup>you</sup> earlier.

Yours faithfully,

  
Project Director-cum

Dy. Chief Executive Officer,  
HMURJA, Shimla-171009

Subject:- Capacity enhancement of Upper Kurmi SHP 5 MW to 8 MW in Distt. Shimla of HP  
Ref:- Yours office letter No Himurja / SHP -IA /Upper Kurmi (VHP) /2009/ -3815 dated 05/05/15

Sir,

With reference to above it is intimated that the Pre Feasibility Report (PFR) of Upper Kurmi SHP for enhanced capacity as received vide your letter mentioned above has been broadly examined based on the hydrological and power studies appended in the PFR. On broad examination it has been observed that the Upper Kurmi SHP on Nanti ( Sagori & Shugh) khad a tributary of Satluj River in Distt. Shimla, is technically feasible for an installed capacity of 8 MW. However, the installed capacity of the project will be firmed up/finalized only after examining of the Detailed Project Report ( DPR ) considering other aspects viz Geology, Evacuation Proposal, cost estimate and financial viability etc. at the time of Concurrence of the project.

Yours sincerely,

  
Chief Engineer,  
Directorate of Energy ,
