Subject: - Regarding No Objection Certificate for Upper Kurmi (8 MW) Small Hydro Electric Project.

Sir,

Kindly refer to your office letter No. VHPPL/Wildlife/18-19/03 dated 13.09.2018.

As reported by DFO (WL) Sarahan, that the area of the above project does not fall within the area of the Rupri Bhaba Wildlife Sanctuary. The aerial distance of the proposed site is approximately more than 4 KM and it falls out of the proposed Eco-sensitive Zone of Rupri Bhaba Wild Life Sanctuary. The project will not have any adverse impact on wildlife and habitat of the area during its construction and operation. Therefore this office has no objection if the said project is commissioned. This may be treated as a No Objection Certificate from Wildlife point of view.

Yours faithfully,

  
Principal Chief Conservator of Forests (WL)  
-cum- Chief Wildlife Warden, Shimla, HP
