

### **JUSTIFICATION ON THE QUERY RAISED ON 18.10.2016**

The LOI issued by Mineral Resource Department on 24.12.2014 was not in line with the compartment Plan of forest Department for which Mineral Resource Department was approached for rectification. Since there is no change in outer boundary of the Mining lease, hence co-ordinates will remain same as only compartment wise area details given earlier was wrong due to typographical error; which has been corrected in the revised LOI of the state Government
