Subject: **Proposal No. FP/JK/WATER/144060/2021; Dated: 26/06/2021, regarding NOC for Water Supply Scheme (WSS) Wani Doursa Tekipora**

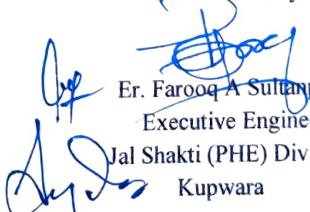

Sir,

Please refer PCCF, J&K Letter No. PCCF/FCA/3356/2360-62; Dated: 09/10/21, CF Kashmir North Circle Sopore Letter No. FD/CFN/FCA/2021-22/1073-74; Dated 09/10/21 & Your Office Letter No. DFO/Kmj/1968/L; Dated: 11/10/21. In this regard the clarifications sought by the J&K Govt. vide EDS regarding the subjected proposal are submitted as under:

S.No	EDS	Reply
1.	KMZ files uploaded by User Agency need to be labeled to enable comparison with the layout plan as the number of files uploaded is large	The KML files of all the 7 No. patches and 6 No. segments were labeled with placemarks, but the same displayed an error message while uploading as the portal accepts KML files of polygon type only. However, the screenshots of the labeled KMLs have been uploaded in PDF Format under the "Additional Information Details" section of the portal for enabling comparison with the layout plans. Further the file names of the KMLs uploaded are numbered serially from P1 to P7 for patches and S1 to S6 for segments, the details of which are present in the legend of the layout plans.
2.	The Survey of India toposheet uploaded by the UA is not clearly showing the project details.	The SOI Toposheets have been updated with the necessary project details. Updated georeferenced maps cum layout plans in consonance with the toposheets have also been uploaded at the appropriate place.
3.	The part IV uploaded by Nodal Officer, FCA is not opening/viewable on the portal.	This EDS does not pertain to the UA.

In view of the above, it is requested to process the subject case for seeking approval of the competent authority for diversion of the forest land at the earliest.

Yours faithfully

Er. Farooq A Sultanpuri
