

MEGHALAYA CEMENTS LIMITED

To,
The Director,
Directorate Mineral Resources
Meghalaya, Shillong.

Date:-07-09-2013.

Sub: - Conditional LOI for Prospecting License.

Respected Sir,

With reference to above, we would like to draw your attention that we have applied for prospecting license over an area of 96.35 hectares on dated the 3rd May 2010 of Ummong area under the jurisdiction of village Thangskai, East Jaintia Hills, Meghalaya to sustain the requirement of limestone, the basic raw materials to manufacture of cement. After the visit of Joint Inspection Team the above-said area falls under forest and the process of movement of our said application have become slow due to clearance from forest department. A copy of Joint Inspection Team is attached herewith for your ready reference. Now we would like clear our area from forest by seeking permission from the concerned authority for that conditional LOI for prospecting license is required from your end.

So, you are therefore, requested to kindly consider the matter and issue the conditional LOI for submitting the application under forest Conservation Act-1980.

Your favourable action in this matter is highly appreciated.

Thank you.

Yours faithfully
For M/s Meghalaya Cements Limited.
