Ref. No. R&C/2021-22/029

JUSTIFICATION LETTER

The diversion of Forest land to construct Approach Road from NH-206 to Shri Veeranjaneya Temple Bangaramakki in Hulegar Village, Honnavara Taluk of Uttara Kannada District is important considering the narrowness of existing road connecting NH-206 to the temple. The existence of a Christian Graveyard situated just behind the Temple on the edge of the existing road makes it uncomfortable for the devotees to travel to the temple via this road.

As the number of devotees visiting the temple has increased in recent years and the existence of CBSE School within the temple premise to which students, teachers and parents travel on a daily basis makes this idea of diversion of Forest land to construct a new Approach Road from NH-206 extremely important.
