## JUSTIFICATION REPORT FOR DUMPING YARD

This land is which is located at Lower Tanak 0.3885 hectare falls under plot no 201/P only for dumping because we are construction National Highway 510 Singtam –Tarku 0.00 to 16.00km in this project we have lot of Soil received from hill cutting we are requiring this land because:-

- 1) There is shortage of land in this area and this land is suitable for soil dumping because this land is flat
- 2) The particular land does not contain any tree so there will be no harm in the environment .
- 3) This land is free from any habitation and public area.
- 4) There is no any school and Hospital..
- 5) we will make Protection wall in this area to protect this land.
