

JOINT INSEPECTION REPORT

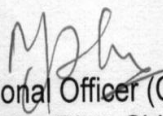

Joint inspection of site for diversion of land for construction of I &PH Sub Divisional Office at Taklech, Tehsil Rampur Bushahr, Distt. Shimla was done on **05-07-2014**.

Two possible alignments/sites were proposed by the user agency for construction of I &PH Sub Divisional Office at Taklech, Both these sites comprises Govt./Forest land. Site No. 1 involve 0-04-00 hectare of Govt./Forest and no tree is involved for removal. In the site No. 2, 0-05-00 hectare of Govt./Forest land involved for diversion and 3 numbers of trees will require removal. Keeping in view of the minimum area and minimum felling of trees, Joint Inspection Committee is of the view that diversion of land coming in the site No. 1 involve less forest land and entails no felling of trees and there are Govt./forest land interspersed in both the alignments, there is no scope for avoidance of Govt./forest land and diversion of 0-04-00 ha. of Govt./forest is bare minimum and cannot be escaped.

The Joint Inspection Committee, therefore, recommends that the Govt./forest land measuring area 0-04-00 ha. coming in the alignment No. 1 as detailed in Check list-6 enclosed as Annexure-I be diverted under Forest (Conservation) Act, 1980 for construction of I &PH Sub Divisional Office at Taklech, Tehsil Rampur, Distt. Shimla.
