(Copy Enclosed as "Encl. 04")

Sir,

1. Please refer to above cited subject and references. In this regard it is to state that NHIDCL is submitting a fresh proposal for the subject road stretch as conveyed vide Ref.E.

2. Vide Ref.F., NHIDCL (user agency) conveyed the difficulty for implementing the road stretch from Khongkhang to Moreh together with the road stretch from Sita to Khudengthabi as submitted vide Ref.A. Government of India through NHIDCL have decided to implement the widening and improvement project from Khongkhang to Moreh in the Financial Year 2018-19, as Asian Development Bank (ADB) has expressed its inability to fund the project from Sita to Khudengthabi and funds from Bharatmala scheme are yet to be confirmed by the ministry, hence it was decided to drop the project from target award of FY 2018-19.

3. The road stretch from Khongkhang to Moreh was applied along with the road stretch from Sita to Khudengthabi, vide the Ref.A. proposal, for seeking both Forest and Wildlife Clearances. The status of the proposal (Ref.A.) is mentioned as under for ready reference:

3.1. The proposal received the Stage-I In Principle Approval vide the Ref.B. on 10.04.2018.

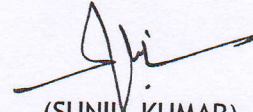

3.2. The proposal received the approval from National Board for Wildlife, MoEF&CC (W. Div.), Govt. of India vide MoEF&CC (W. Div.) F.No. 6-226/2017

WL dated 04.01.2018. and approved by the Govt. of Manipur to NHIDCL vide Ref.C.

4. In view of the above, following the direction of Ref.D., NHIDCL (user agency) is applying a fresh Forest Clearance proposal with the same area and details as submitted earlier vide Ref.A. and requesting to link the already approved wildlife clearance (Ref.A.) with the fresh submitted proposal, and process the submitted fresh proposal as early as possible so that Government of India can implement the project in the Financial Year 2018-19.

Yours Sincerely,

(SUNIL KUMAR)  
General Manager (Project)  
NHIDCL, Branch Office,  
Imphal, Manipur - 795001
