No. GDC/DB/2021-22/ 315

Dated: 3 /02/2022

Justification Letter for State Land(Gair Mumkin Jarh) Diversion

The establishment of new Govt. Degree College Dudu BasantGarh was sanctioned by the Govt. vide Govt. order no. 48-HE of 2019 dated 05-02-2019 and the construction work of this project is being executed by JKPCCL at an estimated cost of 924.16 Lakh (in Phase-I) under Capex Budget. State land measuring 59 Kanal-08 Marlas situated at Village Pachound (Shiv Gali), Tehsil Latti, Dist. Udhampur transferred to Higher education Dept was not found suitable in the report submitted by Geology survey conducted by J&K Geology & Mining Dept., Jammu. Now this alternate proposed feasible State land (Gair Mumkin Jarh) measuring 2.2425 ha (44K-17M) at Village Pachound (ShivGali), Tehsil Latti, Dist. Udhampur is required for the Construction of new College Building at said place. No forest dwellers are getting dislocated/involved in the proposed diversion of Sate land.

1. There is no nearby Govt. Degree College in this remote and backward area for providing higher Education facilities to the aspiring students. Govt. Degree College locate at Ramnagar is far away from this place.
2. Proposed State land (Gair Mumkin Jarh) cannot be avoided as another suitable/feasible State land is not available in this area.
3. This area at Shiv Gali being centrally located will give benefit to the large section of population residing at nearby places like Latti, Dudu, BasantGarh, Pachound, Jakhed, Khaned, Lodhra, Gandhtop, Chatrari, Majori etc. as these areas are remote and educationally backward and it is need of hour to uplift the Higher Education in such areas.
4. There is not any sort of threat to environment due to this project.
5. Hence diversion of Proposed land area is the only option for the execution of this project of public importance.
