Dear Sir,

This is in reference to the above-mentioned subject and cited reference. Subarnarekha Port Private Limited (SPPL) is constructing Railway connectivity from Amarda Road Station to Subarnarekha Port situated in Baliapal Tahsil of Balasore District.

As suggested by Divisional Forest Officer, Balasore WL Division vide his letter dated 16.10.2022, Tahsildar Nilgiri and Revenue Inspector Chhatrapur had visited the site on 17.10.2022 and re-surveyed the proposed Compensatory Afforestation land of area 24.423 Ha. in village Nuagansan of Nilgiri Tahsil. After excluding the encroached areas like road, paddy crop field, etc., a patch having gross area of 26.897 Ha. (Patch-I = 18.115 Ha. & Patch-II = 8.782 Ha.) has been identified for revised Compensatory Afforestation. This revised Compensatory Afforestation land was also re-verified by the ACF and other Forest Officials on 21.10.2022 through field visit.

In view of the above, we request you for the following:

- To allot 26.897 Ha. (Patch-I=18.115 Ha. & Patch-II=8.782 Ha.) of degraded forest land selected in Mouza Nuagansan, Khata No. 396 (Rakhita), Plot No. 75, Kissam Jungle under Nilgiri Tahasil.
