Dear Sir,

This is in reference to the above-mentioned subject and cited reference. Subarnarekha Port Private Limited (SPPL) is constructing/widening/strengthening the access road from Jafarabad to Dagara in Baliapal Tahsil of Balasore District.

As suggested by Divisional Forest Officer, Balasore WL Division vide his letter dated 16.10.2022, Tahsildar Nilgiri and Revenue Inspector Chhatrapur had visited the site on 17.10.2022 and re-surveyed the proposed Compensatory Afforestation land of area 13.573 ha. in village Nuagansan of Nilgiri Tahsil. After excluding the encroached areas like paddy crop field, stone boulders extraction area, kaccha road & rainwater harvesting structure, a total area of 14.949 Ha. has been identified for revised Compensatory Afforestation land. This revised Compensatory Afforestation land was also re-verified by the ACF and other Forest Officials on 21.10.2022 through field visit.

Therefore, we request you for the following:

- To allot 14.949 Ha. of degraded forest land for revised Compensatory Afforestation land which is selected in Mouza Nuagansan, Khata No. 396 (Rakhita), Plot No. 75, Kissam Jungle under Nilgiri Tahasil.
- Issuance of non-encroachment and non-encumbrance certificate of the revised Compensatory Afforestation land.

We would remain highly obliged for your kind consideration.
