

CHECK LIST SERIAL NUMBER : 4

PROJECT DETAIL:

Short narrative of the proposed and projects/ scheme for which the forest land is required

NAME OF PROPOSAL:- PROPOSED L.W.S.S. TALOTY, KHATNOL, JALAG AND OTHERS VILLAGES UNDER SUB-DIVISION GUMMA TEHSIL SUNI DISTT. SHIMLA HP

LWSS Taloty, Khatnol, Jalag and others Villages is required to be constructed for a providing safe drinking water supply to the habitation of village Taloty, Khatnol, Jalag and others Villages in GP Khatnol Tehsil Sunni Distt. Shimla HP.

Villages Taloty, Khatnol, Jalag etc. is situated at about 50KM. from Sunni via Basantpur road and 60 K.M. from Shimla with link road from Shimla Mandi road at Baldayan. The habitation falls in PC category as per survey status. Initially the village Taloty, Khatnol, Jalag etc. was provided drinking water supply from LWSS Deola due to increase in population and decrease in discharge in source the beneficiaries of the above said villages are not getting the adequate qty. of drinking water particularly in summer season.

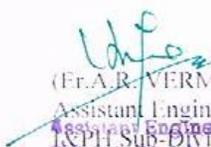

Keeping in view all the above facts and to meet the requirement of drinking water supply of these villages a new scheme was proposed from near by source named as Deeb nallah. There is no other alternate to constructed the pump House, Sump well of 2nd stage, and main storage tank of the above scheme in private land accept to be proposed in forest land.

Population :- the population adopted for the scheme is based on the present population of the habitations for the year 2010-11 the population taken in this scheme 779+600= 1379 persons

Water Requirement:- The water requirement has been worked out as per discharge of Govt.@ 70 FPSD (127610LPD.)

Pump House:- The provision for construction of 1 No pump House has been framed in the estimate

Civil structure :- C/O RCC Sump wells 1 No. 84800 ltrs. cap. e/o RCC Storage Tank 84800 ltrs. Capacity.
