## Brief Note for the construction of Degree College at Dudu Basantgarh

The Construction of Government Degree College at Dudu Basantgarh (District Udhampur) was assigned to JKPCCLtd. The cost offer for phase-1 amounting to Rs 1241.00 Lacs comprises of Academic/ Administrative Block was framed on the basis of BOQ on SSR Rates of 2012 with 60% appreciation. The cost offer has been submitted through Managing Director JKPCCLtd. to Project Authority for accord of Administrative Approval and the same has been accorded for Rs 924.00 Lacs. The first site selected by the Project Authority falls in sliding zone which is not suitable for carrying out the construction activities and the same site was rejected by the Geological Department after carrying out the entire soil investigation and on the recommendation of JKPCCLtd. the second site was selected having an areas of 44 Kanals and 17 Marals. The Project Authority has released funds to the tune of RS 14.21 Lacs. for carrying the survey and soil investigation the same was done. The JKPCCLtd. has floated e-tender for the entire civil works which got matured and accordingly the allotment has been made. The work on the said project shall be taken up after the proper handing over of land to JKPCCLtd. Two patches of land is available for the construction of entire College infrastructure including Academic block, Administrative Block, Hostel, and staff quarters for teaching and non teaching Staff and also Principal residence, one patch of measuring 39 Kanals and 15 Marals and patch second patch of measuring 5 Kanals and 2 Marals. The projects shall be constructed in three phases. Phase first involve the construction of Academic/ Administrative block. Phase second involve the construction of Academic Block G+2 and phase third involve the construction of , Girls Hostel, Staff Quarters of teaching and non teaching staff and Principal quarters. The estimated cost of the phase first is Rs 1241.00 lacs. including road network and Retaining wall/Brest walls of suitable design. The total plinth area for the construction of whole project shall be 32480 sft ( 5 Kanals+19.41 Marlas) almost vegetation free and non constructed areas is about (38 Kanals+17.59 Marlas). No forest dwellers are getting dislocated in the proposed diversion of the said State Land; hence there is not any sort of threat to environment. Retaining walls and Brest walls of suitable designs shall be constructed where needed for the protection of areas. Further muck or excavated material obtained from cutting and excavation of footing shall be used for the leveling of ground and no extra land shall be used for dumping of excavated martial.

Patch First (39 Kanals 15 Marlas) :-Academic/ Adm. Block, Academic Block, I, Staff quarters for teaching and non teaching staff& Principal quarters

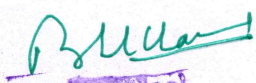

Patch 2nd (5 Kanals &2 Marlas) :-Only Girls Hostel is proposed to be constructed in patch -2 measuring 5 Kanals & 2 Marlas
