

## BRIEF DESCRIPTION OF THE PROJECT

The project "Construction of the Organic Vegetable Collection and selling outlet with washroom facility at Chuba under Martam BAC, East Sikkim" is proposed to be constructed in the land of Forest Department. The Vegetable Collection center is proposed at Chuba because Chuba is the main center for selling vegetables along NH-10 and almost all the selling outlets are temporarily made. Therefore, the Department has proposed to construct a permanent structure in order to generate revenue and employment.
