

Project Name : Improvement and Up-gradation of Existing Road (NH-731) to 4-Lane with Paved Shoulder from Km 88.750 to Km 123.650, Start of Shahjahanpur Bypass to Start of Shahabad Bypass of NH-731 on HAM basis of Shahjahanpur & Hardoi Forest Divisions & Districts in the state of Uttar Pradesh (**Total Length- 34.900 Km of Package 2A**)

Proposal No. : FP/UP/ROAD/157254/2022

Project Justification

Ministry of Road Transport and Highways through NHAI planned for improvement and up-gradation of Stretch of Palia, Shahjahanpur via Hardoi-Lucknow length 270 Km (in principle declared National Highways) in the State of Uttar Pradesh under package RO/LKO/DPR/I.P.NH/Pkg-VI.

Initially the project road section was seeing by PWD with 15-36 m of ROW. In which, only 9-24 m ROW was used for existing road or roadway formation with FCA diversion. Remaining area was left for future purpose. Now NHAI is the nodal agency to take care of this section and proposed for construction with upgradation of that section to 2-lane with paved shoulder. Project road was notified as NH-731 on 06.03.2018 vide notification no. **S.O.993.(E)**.

Project stretch connects major towns / settlements along Khutar, Powayan, Shahjahanpur, Sehra Mau, Shahabad, Hardoi, Sandila, Lucknow, etc. Total length of the Project Highway alignment is 266.014 km.

Project road has been divided in 4 Packages viz. Existing Road between Palia Kalan and Shahjahanpur is 2-Lane carriageway (Package 1), Shahjahanpur and Hardoi is 4-Lane divided carriageway (Package 2), Hardoi to the district boundary of Lucknow is 4-Lane with paved shoulder (Package 3) and the existing road located in district of Lucknow is 2-Lane Road (Package 4).

The project stretch under discussion is Improvement and Up-gradation of Existing Road (NH-731) to 4-Lane with Paved Shoulder from Km 88.750 to Km 123.650 of NH-731, Start of Shahjahanpur Bypass to Start of Shahabad Bypass in Shahjahanpur & Hardoi Districts of NH-731 in the State of Uttar Pradesh under Shahjahanpur & Hardoi Forest Divisions of Uttar Pradesh State (Total Length- 34.900 Km of Package 2A).

The project road starts at Km 88.750, Paina Buzurg Village, and ends at Km 123.650, Udhranpur Village, Shahjahanpur & Hardoi Districts in the state of Uttar Pradesh. The abovementioned section of NH-731 is mostly running through plain terrain.

The linear plantation along the side of Shahjahanpur-Shahabad-Hardoi-Lucknow National Highway-731 Road was notified as Protected Forest Land vide Gazette Notification No. 1115/14-331-50, dated 10th February 1960, Pilibhit-Shahjahanpur Railway Line was notified as Protected Forest Land vide Gazette Notification No. 8109/XIV-2-503-77, dated 25th January 1979, and

Proposal No. : FP/UP/ROAD/157254/2022

Bareilly-Lucknow National Highway-24 Road was notified as Protected Forest Land vide Gazette Notification No. 3208/14, dated 23rd August, 1955 of Uttar Pradesh Forest Department.

Traffic in the project section is likely to be increased at the rate of 5 – 7% per annum and shall reach to the capacity of more than 10000 AADT by fy 2028 in most likely scenario. Therefore, immediate widening and improvement existing road to 4 lane configuration is required to tackle this much traffic as per IRC SP-84:2019. To minimize the land acquisition mostly existing center line with concentric widening is being followed.

The forest land requirement for the project is limited only for proposed widening from the project existing RoW. Therefore, no other suitable alternative is available for the project. Also, the demand of protected forest land is the barest minimum.

The project is required to complete on priority to mitigate the sufferings of the people and for socio-economic development of the region.
