

Compliance of Essential Details Sought by Divisional Forest Officer, Hazaribag West Forest Division, Hazaribag, Jharkhand, vide letter no-5927 dated 28 October 2016

Query – 1 - during site inspection , it was found that the southern side of the karma stone mining project, the pillars located falls in the jurisdiction of koderma forest division and also the pillars are very far located

Reply –

Proposed Mining Lease Boundary Pillars of Karma Stone Mine has been fixed by Doing DGPS with Electronic Total Station Survey after Geo referencing of Village Cadastral Map of Karma Village in ARC GIS software which is fall within the Karma Village under jurisdiction of Hazaribagh West Forest Division. Geo referenced Digital Plan in Shape layer for Mining Lease has already been enclosed with the proposal as Annexure V. Pillars at every 50 meters interval has already been fixed at the Mine site.

Note – M/s Gems Projects Pvt Ltd has done the said survey who is the Registered DGPS Survey Company of Government of Jharkhand
