

অসম অসম ASSAM

16AA 769319

UNDERTAKING

This is to certify that 120 MW, Lower Kopili H.E. Project is proposed to be established on river Kopili, partly in N.C. Hills (Dima Hasao) District and partly in Karbi Anglong District, Assam. Assam Power Generation Corporation Limited (APGCL) has explored all alternatives and settled upon the proposed location as the best alternative.

This is also to certify that the survey of the proposed diversion area for the Hydro Power Project was done by DGPS/Total Station.
