Sir,

I am directed to refer to State Government letter No.FEE29FLL2019 dated 25.07.2022 on the subject mentioned above. In this regard, it is requested to furnish the following information/clarification for further consideration of the proposal;

1. The forest land proposed for diversion is for a non site specific project, as per guidelines of Forest (conservation) Act, 1980. Therefore, the user agency may be directed to furnish a certificate from District Collector that no other alternate revenue land/ non forest land is available in the District for construction of said monument.
2. As per the google imagery, the non forest land identified for the purpose of raising is Compensatory Afforestation (CA) appears to be thickly wooded. Therefore, it may be clarified whether 1000 plants per hectare can be planted in the said area. If not, remaining plants needs to be planted in the degraded forest land as per the working plan prescriptions. Accordingly, details of degraded forest land identified for the same along with revised comprehensive CA scheme may be furnished.
