

Proposal of Muck/Dumping Site

It is proposed to re-align the Adit-II road having length of 1187 Mtrs. for which forest land of 1.6 Hac. is required due to non-availability of private land in this area. The width of proposed re-aligned road shall be 4-6 Mtr. The approximate quantity of muck for construction of proposed re-aligned Adit-II road is worked out to 22000 cum. Out of 22000 cum, about 30-40% of excavated material shall be utilized for protection works (Retaining walls, Breast Walls, Gabions), side drains, cross drainage works on the existing road & other civil works. The balance quantity shall be disposed off at the already available Muck Dumping site near Adit-II Portal, as shown in the attached Annexure (Fig.8.1 Spoil Tip-2).
