

To

**The Divisional Forest Officer
Keonjhar Forest Division**

Sub: Proposal for diversion of 194.683 ha of forest land within Guali Iron Ore Mines of M/s OMC Ltd.

Ref: Letter No. 6308/6F-Mining-15/2021 dt 16.09.2021 by DFO, Keonjhar.

Sir

The information sought vide letter under reference pertaining to Guali Iron Ore mines of OMC Ltd is given as under for scrutiny:

Sl. No.	OBSERVATION BY DFO, KEONJHAR	COMPLIANCE BY OMC
Undertakings/Certificates to be furnished		
1	Payment towards NPV & Additional NPV, if so determined as per final decision of Hon'ble Supreme Court of India.	Undertaking by OMC has been given as Annexure-XVI in the DP to this effect.
2	Pending Court Matters, if any.	No court matter is pending against the proposal since it is taken over by OMC.
3	Certify copy of land schedule of the proposed Sabik Kissam forest land by the Tahasildar, Barbil should be enclosed in the DP.	Certified copy of the land schedule of the proposed Sabik Kissam forest land by the Tahasildar, Barbil is enclosed at Annexure-VII in the DP.
4	The signature of Joint Director of Mines, Joda in Annexure No. XXII is wanting. Please provide the same.	The signed copy of Annexure No. XXII by Joint Director of Mines, Joda has been replaced in the DP.
5	The complete compliance report of the condition of Stage-II approval under issued in favour of ex-lessee i.e. M/s R.P Sao, should be appended in the DP.	The complete compliance report of the condition stipulated in the grant order of Stage-II approval issued in favour of ex-lessee i.e. M/s R.P Sao is given as Annexure-I .
6	Please clarify the area earmarked for additional safety zone involved on the mining lease area.	The patches of forest area earmarked as additional safety zone have not been proposed for use for mining and ancillary activities. It will be protected within the ML area.

7	Plate- II- Category wise total forest land involved in the ML has not shown in the DGPS survey map. Also, the Geo reference of the proposed forest land applied for diversion has not reflected in DGPS survey map. The authenticated DGPS survey map showing the proposed forest land should be appended in the DP.	Category wise total forest land involved in the ML has been shown in the DGPS survey map enclosed as Plate No. IX in the DP. Geo reference of the proposed forest land applied for diversion has been reflected in the above DGPS survey map duly authenticated.
Authenticated Maps and documents to be furnished		
1	SOI Topo Sheet (1:50000) showing forest land required for diversion and boundary of adjoining forest land	SOI Topo Sheet (1:50000) showing forest land required for diversion and boundary of adjoining forest land has been authenticated and enclosed as Plate-I in the DP.
2	Original Lease plan.	Original Lease plan has been authenticated and enclosed as Plate-II in the DP.
3	Proposed land use plan in respect of applied forest land.	Proposed land use plan in respect of applied forest land has been authenticated and enclosed as Plate-V in the DP.
4	DGPS map showing patch wise DGPS coordinates of the forest land under different category involved in the mining lease proposed for diversion and DGPS coordinates of all patches of forest land involved in the ML.	DGPS map showing patch wise DGPS coordinates of the forest land under different category involved in the mining lease proposed for diversion and DGPS coordinates of all patches of forest land involved in the ML has been authenticated and enclosed as enclosed as Plate-IX in the DP.
5	Cost benefit analysis of the project.	Cost benefit analysis of the project is enclosed as Annexure-XI .
6	Details of approvals obtained / sought for under the Act in respect of the project.	The approvals obtained under various Act has been appended to the DP. The details are given as under: 1. Mining Plan alongwith progressive mine closure plan approved by IBM vide letter no. MP/A/38-ORI/BHU/2020-21/2916 dt. 19.03. 2021 (Annexure-X of the DP). 2. Stage-II FC over 42.417 ha and 95.00 ha have been granted by MoEF which has been vested on OMC (Annexure-1/C of the DP). 3. EC has been granted by MoEF vide letter no.J-11015/1155/2007-IA.II (M) dt. 22.06.2009 for production of 5.7 MTPA Iron Ore which has been vested on OMC

		<p>(Annexure-1/B of the DP).</p> <p>4. ToR has been granted by MoEF & CC vide letter no. IA-J-11015/31/2021-IA-II (M) dt. 04.08.2021 for production of 30 MTPA of Iron Ore (Annexure-II to this letter).</p> <p>5. Consent to Establish has been granted by OSPCB vide letter no. 5547/IND-II-NOC-5085 dt. 31.03.2009 which has been vested on OMC (Annexure-1/D of the DP).</p> <p>6. Consent to Operate has been granted vide letter no. 2110/IND-I-CON-248 dt. 26.02.2019 which has been vested on OMC (Annexure-1/E of the DP).</p>
7	Check list in the prescribed format along with specific information.	Check list in the prescribed format along with specific information is enclosed in the DP from Page No. I to xvii .
8	Status of settlement of rights under the Forest Right Act, 2006 of forest land proposed for diversion should be submitted.	OMC vide letter No. 4767/OMC/F&E/2021 dt. 30.03.2021 has requested Collector Keonjhar to initiate the process of settlement of rights under the Forest Right Act, 2006 for 332.10 ha of forest area proposed for diversion.
9	The details land schedule of the proposed area should be appended in the diversion proposal duly authenticated by the concerned Tahasildar & Range Officer & User Agency.	The detail land schedule of the proposed area has been appended in the diversion proposal duly authenticated by Tahasildar, Barbil, Range Officer, Barbil & OMC.
10	Whether the proposed forest land is a part of National Park, Wildlife Sanctuary, Biosphere Reserve, Tiger Reserve, Elephant Corridor etc.	The proposed forest land is not a part of National Park, Wildlife Sanctuary, Biosphere Reserve, Tiger Reserve, Elephant Corridor etc.
11	Whether any protected archaeological/heritage site/ defense establishment or any other important monument is located in the area. If so, the details thereof with NOC from competent authority, if required.	There is no protected archaeological /heritage site/defence establishment or any other important monument located in the area.

It is requested to kindly consider the above compliance and recommend to higher quarter for further processing of Forest Diversion Proposal.

Yours faithfully,

(Dr Suman Krishna Sit)
General Manager (Geo)

Encls. as above.

Compliance to the conditions Stipulated in the grant order of Stage-II FC over 42.417 ha. of forest land vide letter F. No. 8-96/96-FC dt. 14.01.2005 pertaining to Guali Iron Ore Mines of OMC Ltd.

Sl. No.	Conditions stipulated vide Stage-II FC	Compliance by OMC
1.	Legal status of forest land shall remain unchanged.	OMC will peruse the matter with the State Govt. to keep the legal status of forest land remain unchanged. An undertaking by the Project Authority (PA) in this regard is given at Sl. No. 1 of Annexure-I.
2.	Penal compensatory afforestation shall be raised and maintained over degraded forest land double in extent of the diverted forest area (2 x 42.417 = 84.834 ha.) by the State Forest Department.	State Govt. has raised and maintained plantation in the degraded forest land over 84.834 ha as per the funds deposited by PA.
3.	Safety zone shall be generated and protected and plantation shall be raised and maintained over degraded forest lands elsewhere, over an area one and half times of the extent of the safety zone, by the State Forest Department, at the project cost.	Safety zone area all along the 7.5 meter perimeter of the ML has been covered with plantation and maintained by PA. Plantation has been raised and maintained by the State Forest Dept. in degraded forest land to the extent of 1.5 times the Safety Zone area utilizing the funds deposited by PA.
4.	The State Government shall deposit the above-mentioned funds including the funds collected for Net Present Value of diverted forest land, in form of Fixed Deposits in the name of concerned DFO/ Nodal Officer of the State, till such time the Compensatory Afforestation Fund Management and Planning Authority (CAMPA) intimates the Head of Accounts for deposition of funds.	Earlier the cost of NPV, Compensatory Afforestation, cost of protection and maintenance of remaining forest land, cost of wildlife conservation plan and cost of Regional wildlife management plan had been deposited. Subsequently as per the demand raised by DFO, Keonjhar OMC has deposited Rs. 25,38,57,750/- vide UTR No. SBIN 521012176323 dt. 12.01.2021 towards NPV. The payment details is enclosed as Annexure-II.
5.	Demarcation of the area will be done on the ground at project cost using 4 feet high RCC pillars. The pillars shall indicate serial numbers, forward and back bearing and distance between adjacent pillars.	Mining Lease area has been demarcated on the ground at project cost using 4 feet high RCC pillars indicating serial numbers, forward and back bearing and distance between adjacent pillars.
6.	Electric fencing raised by the User Agency around mining trenches shall be maintained by them throughout the life of mine.	An undertaking is given at Sl. No. 2 of Annexure-I that Electric fencing raised around mining trenches shall be maintained by them throughout the life of mine
7.	Trees shall be felled only when it becomes necessary and under strict supervision of State Forest Department.	An undertaking is given at Sl. No. 3 of Annexure-I that trees shall be felled only when it becomes necessary and under strict supervision of State Forest Department.
8.	The user agency shall protect the top soil	An undertaking is given at Sl. No. 4 of

	at the project cost.	Annexure-I to protect the top soil at the project cost.
9.	Concurrent Reclamation plan shall be executed by the user agency from the very first year and an annual report shall be sent to the Nodal Officer and the Regional CCF, Bhubaneswar. If it is found from the Annual report that the annual programme mentioned in Concurrent Reclamation Plan is not being adhered to by the user agency, the mining activities shall remain suspended till such time the annual programme is completed for that year.	Mining is being carried out in a phased manner as per the Mining Plan approved by IBM, vide MP/A/38-ORI/BHU/2020-21 dt 19.03.2021. Reclamation will be carried out as per the progressive mine closure plan. An undertaking has been submitted at Sl. No. 5 of Annexure-I to submit an annual report on implementation of reclamation plan to the Nodal Officer, Forest (Conservation) Act, 1980, Government of Odisha and DDG (Central), IRO, Bhubaneswar.
10.	No labour camps shall be established on the forest land.	An undertaking has been submitted by PA at Sl. No. 6 of Annexure-I that no labour camps shall be established on the forest land.
11.	Sufficient firewood shall be provided by the User Agency to the labourers at the project cost after purchase from the State Forest Department/ Forest Development Corporation.	The labourers and the staff working at the site are coming from nearby area. So, there will be no pressure on the adjacent forest land for collection of fire wood. An undertaking at Sl. No. 7 of Annexure-I is given to provide alternate fuel to the labourers and the staff working at the site, if required in future.
12.	Mining shall be done as per the approved mining plan.	Mining is being carried out in a phased manner as per the Mining Plan approved by IBM, vide MP/A/38-ORI/BHU/2020-21 dt 19.03.2021
13.	The User Agency shall ensure that there is no damage to the available wildlife.	An undertaking has been submitted at Sl. No. 8 of Annexure-I that no damage will be caused to the available wildlife in the area.
14.	The forest land shall not be used for any purpose other than that specified in the proposal.	The forest land is being used for the purpose that specified in the proposal. An undertaking has been submitted at Sl. No. 9 of Annexure-I that the forest land shall not be used for any purpose other than that specified in the proposal.
15.	The lease period shall be co-terminus with the current lease granted under MMRD Act, 1957.	Mining Lease has been granted by Steel & Mines Dept. vide order No. 358/SM dt. 12.01.2021 in respect of Guali Iron Ore Mines over an area of 358.258 ha (as per DGPS)/ 365.026 ha (as per RoR). ML deed has been executed on dt. 12.01.2021 with validity up to 11.01.2031 (For 10 years). Copy of grant order and executed lease deed is enclosed as Annexure-III Series.

16.	Any other condition that the State Government or the Chief Conservator of Forests (Central), Regional Office, Bhubaneswar may impose from time to time in the interest of conservation, protection and development of forests shall also be applicable.	An undertaking has been submitted at Sl. No. 10 of Annexure-I that if any additional condition is imposed by the State Govt. or by the IRO, Bhubaneswar in the interest of conservation, protection and development of forests will be complied by PA.

Compliance to conditions stipulated in the grant order of Stage-II FC over 95.00 ha. of forest land vide letter F. No. 8-96/96-FC dt. 06.09.2011 pertaining to Guali Iron Ore Mines of OMC Ltd.

Sl. No.	Conditions stipulated in the stage-II Forest Clearance	Compliance
i.	Legal status of the forest land shall remain unchanged.	OMC will peruse the matter with the State Govt. to keep the legal status of forest land remain unchanged. An undertaking by OMC in this regard is given at Sl. No. 1 of Annexure-I.
ii.	Compensatory Afforestation shall be raised and maintained over equivalent area of non-forest land identified and provided by the State Government from the funds received from the user agency.	Non-forest Govt. land over 209.540 Ha has been allotted by Collector, Keonjhar in villages Mayurdihi and Tentulikhunti under Telkoi Tahasil of Keonjhar District. The said land has been mutated in favour of the State Forest Department. Ex-lessee has deposited an amount of Rs.1,22,94,000/- in RTGS mode in A/c. No.344901010070194, Union bank of India, Sundar Nagar towards the cost of compensatory afforestation over the said land.
iii.	The non-forest land identified to compensatory afforestation shall be notified as Reserved Forest/ protected forest under relevant section(s) of Indian Forest Act, 1927 or the concerted State Forest Act, Nodal Officer, Forest (conservation) Act,1980, State government of shall send compliance in this regard within six months	The non-forest Govt. land identified for compensatory afforestation has been notified as Protected Forest under Odisha Forest Act, 1972.
iv.	State Government shall realize from the user agency. Additional amount of NPV, if any, becoming due after finalization of the rates of NPV.	OMC has submitted an undertaking at Sl. No. 2 of Annexure-I to deposit the additional amount of NPV, if so determined, as per the final decision of the Hon'ble Supreme Court of India and transfer the same to Ad-hoc CAMPA under intimation to this Ministry.
v.	Wherever possible and technically feasible the user agency shall undertake afforestation measures in the blanks within the lease area as well as within 100 Meter radius from the lease area inside RF if density is lesser than 0.4 and maintain it till the life of the project, in consultation with the State Forest Department.	A scheme to undertake afforestation measures in the blanks within the lease area as well as within 100 Meter radius from the lease area inside RF has been approved. An undertaking by OMC has been given at Sl. No. 3 of Annexure-I to implement the scheme at the approved cost in consultation with the State Forest Department.
vi.	The period of diversion of the approval shall be twenty (20) years subject to possession of valid lease by the user agency under the MMDR Act, 1957 so that it shall be co-terminus.	Mining Lease has been granted by Steel & Mines Dept. vide order No. 358/SM dt. 12.01.2021 in respect of Guali Iron Ore Mines over an area of 358.258 ha (as per DGPS)/ 365.026 ha (as per RoR) in favour of OMC and the lease has been executed on dt. 12.01.2021 with a validity period up to 11.01.2031 (For 10

		years). Copy of grant order and executed mining lease deed is enclosed as Annexure-II Series .
vii.	Any tree felling shall be done only when it is absolutely necessary and unavoidable.	OMC has submitted an undertaking at Sl. No. 4 of Annexure-I that tree felling shall be done only when it is absolutely necessary and unavoidable.
viii.	The User agency will prepare a plan for protection and maintenance of remaining forest land out of additional 209.54 ha in consultation with State Forest Department to be implemented at the user agency's cost. In this regard, a map shall be submitted showing the area diverted in the mining lease area.	A scheme for protection and maintenance of 114.540 ha of forest land has been approved by CCF (Nodal). Ex-lessee has deposited an amount of Rs. 80,15,000.00 in RTGS mode in A/c. No.344901010070194, Union Bank of India, Sundar Nagar, towards the cost of protection and maintenance of remaining forest land. OMC has applied forest diversion proposal online over balance forest land of 194.683 ha vide proposal no. FP/OR/MIN/140713/2021.
ix.	No damage to the flora and fauna of the area shall be caused.	OMC has submitted an undertaking at Sl. No. 5 of Annexure-I that no damage to the flora and fauna of the area shall be caused.
x.	The Compliance to the Schedule Tribe and other Traditional Forest Dwellers (Recognition of Forest Rights) act, 2006 shall be done as per Ministry's circular dated 30.07.2009.	The certificate regarding Compliance of scheduled Tribes and other traditional Forest Dwellers (Recognition of Forest Rights) Act, 2006 has been issued by the Collector, Keonjhar.
xi.	The User Agency shall start mining as per approved mining plan. The mining will continue in earlier broken area of 42.417 ha of forest land, however, due care should be taken for reclaiming earlier mined areas. Reclamation plan approved by IBM, shall be strictly implemented which shall be monitored regularly by the State Forest Department/Regional Office, Bhubaneswar. If it is found from the Annual Report that the annual programme mentioned in the concurrent reclamation plan is not being adhered to by the User Agency, the mining activities shall remain suspended till such time, the annual programme is completed for that year.	The mining activity has been confined to 42.417 ha and 95.00 ha of Stage-II approved forest area. Mining is being carried out in a phased manner as per the Mining Plan approved by IBM, vide MP/A/38-ORI/BHU/2020-21 dt 19.03.2021. Reclamation will be carried out as per the progressive mine closure plan. An undertaking has been submitted by OMC at Sl. No. 6 of Annexure-I to submit an annual report on implementation of reclamation plan to the Nodal Officer, Forest (Conservation) Act, 1980, Government of Odisha and DDG (Central), IRO, Bhubaneswar.
xii.	It shall be ensured that no labour camps are set up inside the forest area.	No Labour camp has been constructed inside the forest area. An undertaking has been submitted by OMC at Sl. No. 7 of Annexure-I that no labour camps are set up inside the forest area.
xiii.	The mining lease area shall be demarcated on ground at the project cost, using four feet high RCC pillars, with each pillar inscribed with the serial number, forward and backward bearings and distance between two adjacent pillars.	The Mining lease has been demarcated by fixing four feet high RCC pillars inscribed with the serial number, forward and backward bearings and distance between two adjacent pillars.

xiv.	The User Agency shall take up the desilting of the village tanks within five km area from the mine lease boundary so as to mitigate the impact of siltation of such tanks whenever required.	An undertaking has been submitted by OMC at Sl. No. 8 of Annexure-I to take up the desilting of the village tanks within five km area from the mine lease boundary so as to mitigate the impact of siltation of such tanks whenever required.
xv.	The forest land shall not be used for any purpose other than that specified in the proposal.	The forest land has not been used for any purpose other than that specified in the proposal.
xvi.	All the conditions recommended by the State Government like site specific wildlife management plan and comprehensive wildlife management plan and any other conditions imposed shall be implemented at the User agency's cost.	A Site specific wildlife management plan has been approved by Chief Wildlife Warden, Odisha with a financial outlay of Rs.2,77,00,000.00. It is being implemented by the State Forest Department by utilizing the funds deposited. Regional Wildlife Management Plan is under implementation by the State Forest Department by utilizing the funds deposited.
xvii.	The User Agency shall submit an annual self-monitoring report containing status of compliance to the conditions stipulated in the approval to the state Government and concerned Regional Office of the Ministry.	An undertaking has been submitted by OMC at Sl. No. 9 of Annexure-I to submit an annual self-monitoring report to the conditions stipulated in the approval to the state Government and to IRO, MoEF & CC, Bhubaneswar.
xviii.	Any other condition that the CCF (Central), Regional Office, Bhubaneswar / State Government may impose from time to time for protection and improvement of flora and fauna in the forest area shall also be applicable.	An undertaking has been submitted by OMC at Sl. No. 10 of Annexure-I to comply with the any other condition if impose by the IRO, MoEF & CC, Bhubaneswar/ State Government from time to time for protection and improvement of flora and fauna in the forest area.
