**Justification for rejection of alternate locations for Nandirampara at
Ujanmachmara RF Mouja.**

The Proposed 2(two) alternative locations in Ujanmachmara RF Mouja identified within same plot no. 895(Part) for Bru Settlement has been rejected by the Sub-Divisional administration due to the following reasons;-

1. The proposed 2 (two) alternative locations have Jote land adjacent to it.
2. In the proposed alternative location there are some Forest Patta lands given under FRA, 2006.
3. The said locations are not suitable for Settlement Purpose as there is thick vegetation compared to the area selected.
