No. 9319 Dated 26/12/19

To

The Executive Engineer,
Public Health Engineering Division No. 3,
Hisar.

Subject :- NOC for laying new box type drain along State Highway Bagla Road upto new NH-52 Bye-pass Hisar.

Reference:- Your Office letter No. 10847 dated 27.09.2019 addressed to Executive Engineer, Provincial Division No.3, PWD B&R Branch, Hisar.

In this connection, it is submitted that the S.D.E. P-III, Hisar has examined the site and drawing attached in the case alongwith J.E. concerned and submit his report vide letter No. 622 dated 20.12.2019. Accordingly this office have no objection if the proposed laying new box type drain is to be constructed as per drawings with the following conditions:-

1. That, the land width of ROW in front of proposed site is 82'6" as per attached drawing. No any type of encroachment shall be allowed during or after the construction. If there is found any type of encroachment on Govt. Land in future as per Revenue Record, the department has right to withdraw the NOC and demolish the same.
2. That, No material shall be allowed to dump on PWD land/road during the construction.
3. That, drainage system along with PWD road should be proper.
4. That, no Ramp/Footsteps/Projection shall be allowed on PWD land.
5. In case, the road is to be widened then the department reserves all the rights and your department will remove all the construction work at his own cost/level.
6. The Drain should be laid at extreme end of ROW.

7. If any mishappening occurs during execution of the work, this department shall not be responsible for the same, so the proper road safety measures must be taken for traffic regularization.
8. The Department i.e. PWD B&R reserves all the rights to withdraw the NOC if Applicant/agency disobeys the parameters of PWD B&R terms & Conditions without given any notice.
9. The adequate road safety measures must be taken by the client department during execution of work. They shall be fully responsible for any mishap during execution, if any.
10. The Drain laid will be shifted or removed by the client Department at their own cost in future if it shall come in the alignment of any construction work of PWD B&R and no payment shall be made by this Office/Department for shifting of the same.
11. During execution of work if the quantity/area of Construction of drain, the revised NOC may be obtained by the client department.
12. The Department i.e. PWD (B&R) reserves all the rights to withdraw the NOC without given any prior notice, if the client disobeys the above parameters.

This is for your kind information and further necessary action.
