Dear Sir,

The proposed project pertains to Development of Economic Corridors, Inter Corridors, Feeder Routes and National Corridors to improve the efficiency of freight movement in India under Bharatmala Pariyojana, Bilaspur - Urga section of NH-130A (Raipur - Dhanbad Economic Corridor) which shall start at Junction with NH-130 & NH-130A, near Nehru Chowk, Bilaspur and terminates at its junction with NH-149B & SH-4 near Urga (Total Length-70.2 km).

The proposed project shall affect the local communities positively as it shall enhance and improve the current route between Bilaspur and Jashpur which is narrow and zig-zag and thus needs to be straightened and widened to mobilize the heavy traffic.

The total length of the project section is approx. 70.2 km and distributed in Bilaspur, Jangir-Champa and Korba Districts of Chhattisgarh State. The highway project under consideration aims at developing Bilaspur-Urga section of NH-130A in the state of Chhattisgarh to four lane access controlled Highway. Sufficient care has been taken during the design stage to avoid acquisition of forest areas.
