To

The Divisional Forest Officer,
Sloan, Forest Division.

Sub:- Diversion of 4.7 ha of forest land in favour of HPPWD for the construction of Kiari to Khinna road kms0/0 to 7/820, within the jurisdiction of Sloan Forest Division Distt. Sloan H.P. (Online Proposal No. FP/HP/Road/28558/2017).

Sir,

This is with reference to the subject cited above. In this context this is to inform you that the EDS raised by the Forest Department has been attended and parawise reply for the same is as under:-

Sr. No.	Observation	Reply
1.	After examine the reply and related documents it has been noticed that the EROW and PROW have not been marked in different colours in the KML file. Furthermore, private land has been shown in the KML file, whereas no such detail has been indicated in Part-I of the proposal. As per the KML file, the proposed road involves an area of 8.57 hectares, which requires review. The EROW, PROW, and private land must be delineated using separate polygons. Additionally, no comments or valid supporting documents regarding any violation have been provided.	The EROW and PROW has been marked in different colours in the KML file. There is no private land involved in this project, however, the Ghaasani and Grazing Pasture land which is being used by the local people for grass and grazing by domestic animals and which is a Shaamlaat land and is considered as Forest land as per the Notification of 1952. The proposed Road involves an area of 4.70 Ha. (Violated Forest Land- 3.00 Ha. & Non-Violated land- 1.70 Ha.). The EROW, PROW, has been delineated using separate polygons in KML file and no private land is involved in this project, hence, revised KML file has been uploaded against appropriate column in online Part-I. The Joint inspection report of Joint Inspection Committee for violation under the Chairmanship of Conservator of Forests Distt. Solan has been uploaded against additional information detail in online Part-I.
