

Recommendation for acceptance of the proposal

The proposed diversion of 48.288 ha of forest land for Widening and improvement of main alignment of NH 39 (Imphal – Moreh) of 29.516 km from Khongkhang to Moreh will not involve large scale felling of trees. No significant impact on the existing forest ecosystem is anticipated.

On the other hand On the other hand, the project will ensure good road connectivity to the border township of Moreh, thereby improving the quality of life of the people living in Moreh. The project is a public utility project.

Hence, the proposal is recommended for clearance under Section 2 of Forest (Conservation) Act, 1980.
