Recommendation Certificate

I have inspected the proposed site along with the Assistant Conservator of Forests, Khanapur Sub Division and staff on 07-12-2021, the proposed forest area diversion for Jio Digital Fiber Underground OFC cable is in Londa Range Khanapur Taluk.

As the Jio Digital Fiber Underground OFC cable is very much required for the villagers in the proposal. The total forest area required for Jio Digital Fiber Underground OFC cable is 0.4958 Ha.
