

PART-III

(To be filled by the concerned Conservator of Forest)

14. Whether site, where the forest land involved is located has been inspected by concerned Conservator of Forests (Yes/No). If Yes, the date of inspection & observation made in form of inspection note be enclosed.	The project pertains to the construction of 400 K.V D/C Nabinagr II- Patna transmission line. The proposed diversion of 1.5226 ha of land is mainly across roads and rivers/canals, most of which are notified as protected forest vide S.O. No. 400 dated 16.02.1994 and S.O.No. 1255(E) dated 30.09.1994 respectively. It was partly inspected along NH-98 (near- village Rampur) SH-7 (near- village- Makhara) on 12.06.2017 with D.F.O Aurangabad. During inspection 3 tress were found to be felled on above mentioned sites. In total 10 trees & 52 Bamboos are to be felled. Trees are mainly of Taar, Babool species. The proposed diversion of 1.5226 ha of land is barest minimum & avoidable.
15. Whether the concerned Conservator of Forest agree with the information given in Part-B and the recommendations of Deputy Conservator of Forests.	I agree, with the information furnished & recommendation made by the Divisional Forest Officer, Aurangabad in part-II & during inspection it has been verified partly and found correct as per document.
16. Specific recommendation of concerned Conservator of Forests for acceptance or otherwise of the proposal with detailed reasons.	The proposal is recommended for acceptance on the basis of the facts, given by the user agency and the recommendation made by the Divisional Forest Officer, Aurangabad.
