

Recommendation of the DFO

The proposed diversion of 10.12 Ha of forest land for Establishment of Churachandpur Medical College at Mata Village will not involve large scale felling of trees. No significant impact on the forest ecosystem is anticipated. On the other hand, it would ensure better education and health care facilities for the people of Churachandpur. The proposed area is the barest minimum and for public utility.

Hence, the proposal is recommended for clearance under Section 2 of Forest (Conservation) Act, 1980.

Dated: Churachandpur.
