

**SPECIFIC RECOMMENDATION of the concerned Conservator of Forests**  
**( Part III slno. 16 of FORM A )**

While agreeing with the information and recommendation made by the DCF: Churachandpur in the forest diversion proposal for construction of a Medical College in Churachandpur at Mata village, the proposal for diversion of 10.12 ha land is recommended for clearance under section 2 of Forest ( Conservation) Act, 1980 based on the following specific points :

1. The project proposal involved no large scale felling of trees and no significant or adverse impact is anticipated on the existing eco-system.
2. The project being a critical public utility for imparting medical and health sciences to medical students thereby ensuring improvement in the general health of the people.
