**Date of inspection : 18.12.2018**

**Division: Thoothukudi**

Today (18.12.2018) inspected the proposed project site of proposal for diversion of Forest land in Mullakadu RF of Mullakadu village in Thoothukudi Range of Thoothukudi Forest Division for “ conveyor and pipeline crossing Korampallam canal at Mullakadu RF, Mullakadu village, Thoothukudi District” (FP/TN/Pipeline/34620/2018) by SEPC Power Private Ltd., Teynampet, Chennai-18 along with the District Forest Officer and field staff and user agency.

The area proposed for diversion is 0.17688 Ha.

The proposed area is about 8.8m wide and 201m length on the southern side of an existing bridge across the Korampallam canal. The area is partially vegetated with Mangrove spread

partially slushy and water logged due to being in tidal zone. The details of flora and fauna is submitted by District Forest Officer in Part II. No protected archeological site is situated nearby.

The area proposed for diversion is bare minimum.
