**SITE INSPECTION REPORT OF DCF**

**Dated :- 18.11.2022**

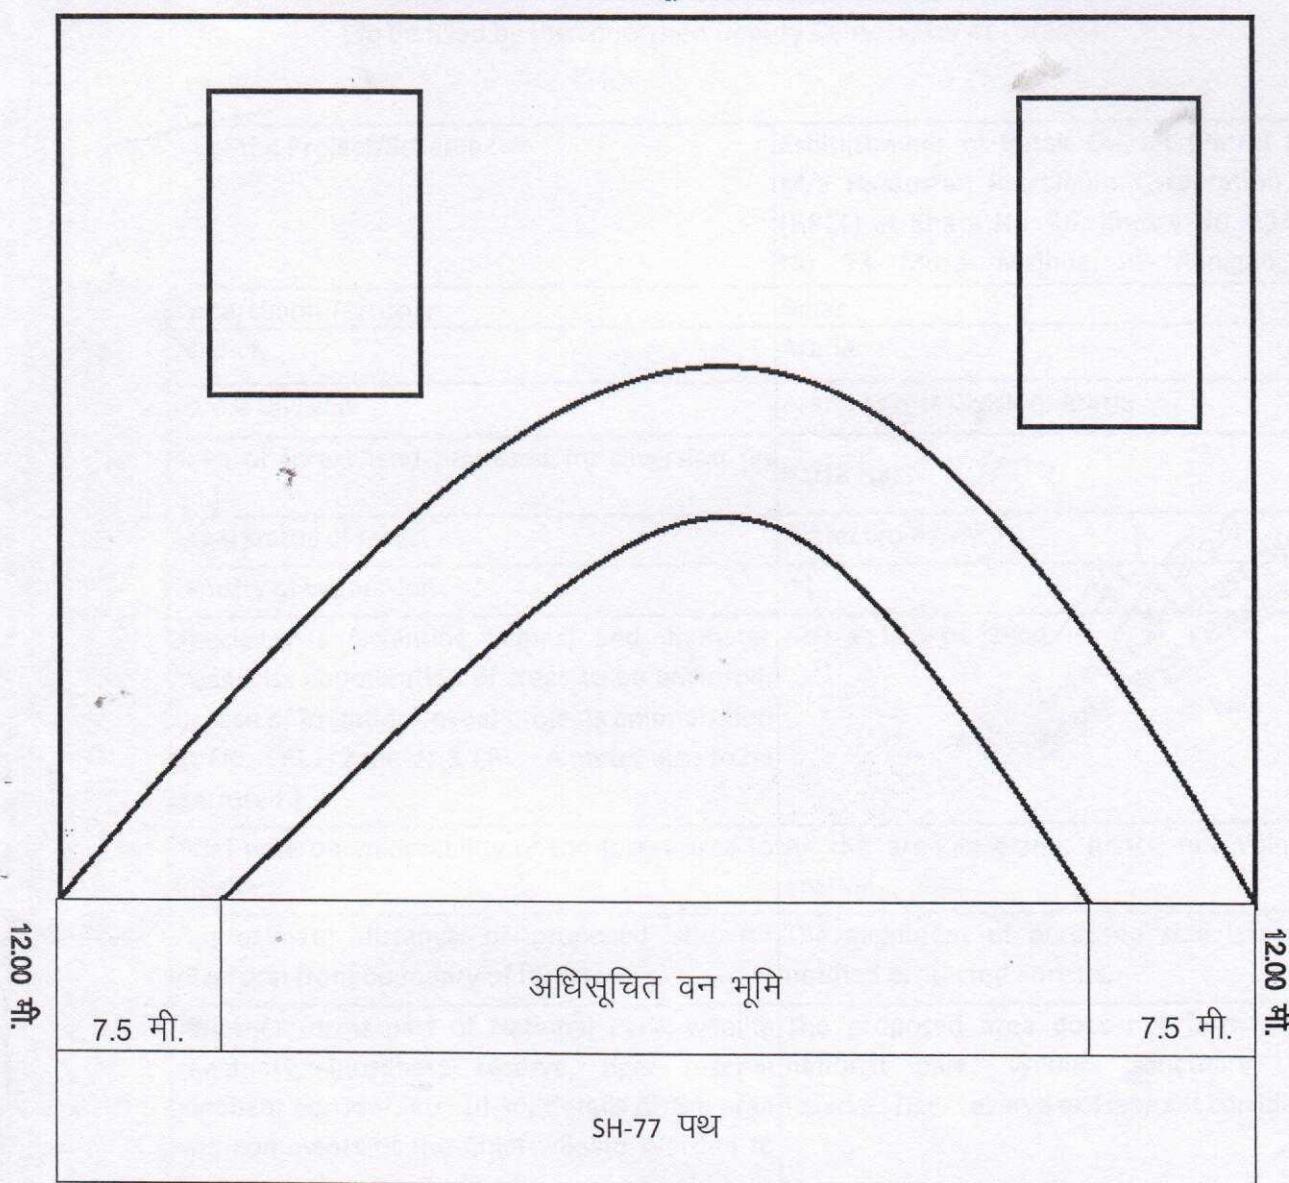

For the purpose of establishing retail outlet (Petrol Pump) of Hindustan Petroleum Corporation Ltd. (HPCL) on the plot no. 1134, Khata no. 16, Moza Majhua, Thana no. 73, PS- Raniganj, in Araria district, a proposal for diversion of 0.018 hectare of forest land has been submitted by the Mr. Chhotu Kumar, S/O Sri Matru Yadav at- Bairakh, Ward No. 13, Po- Koskapur, PS- Raniganj, District- Araria under forest (Conservation) Act. 1980. I have inspected the site on dated 18.11.2022 with Range Officer of Forests, Forbesganj, As per the proposal, the proposed site of Petrol Pump just along the site of Raniganj – SH-77 road, which is a notified forest for entry and exit from pump site to the road. 0.018 hectare of forest land will be required to be diverted, the calculation of which is attached with the proposal. For developing entry and exit path from the road to the pump site there are no trees to be felled.

During inspection no endangered/unique species of flora and fauna have been found. Also, no protected archaeological/ heritage site is located near the site as per my knowledge.

This project may be accepted.
