

Part-IV

(To billed in by the Nodal Officer or Principal Chief Conservator of Forests or Head of Forest Department).

Detailed opinion and specific recommendations of the State Forest Department for acceptance or otherwise of the proposal with remarks.

Proposal for the diversion of 2 acres (0.81 Ha.) of forest land for construction of playground and other activities purpose for Advance Technical Training Centre, at Bordang in East Sikkim by ATTC is accepted and recommended for forest clearance under Forest (Conservation) Act, 1980.

1. The legal status of the forest land shall remain unchanged.
2. The amount of Compensatory Afforestation and Net Present Value (NPV) shall be paid and any revision, thereof, shall be borne by the User Agency.
3. There shall be no damage to the surrounding forests, environment, wildlife & natural resources.
4. Minimum tree felling shall be done in the project area, that too which are unavoidable due to project activity. The blank areas shall be covered up with plantation during and after construction of the project.
5. There shall be no labour camp on any diverted forests land.
6. All the natural streams and water bodies in surrounding areas shall be protected.
7. During and after the construction period of the project, the project authority shall continue to assist the State Forest Department for conservation and development of natural resources of the State.
8. The muck, debris and materials generated out of the construction, if any, shall not be spilled down on slopes and be disposed off in the predetermined areas only.
9. The User Agency shall demarcate the diverted land, with boundary pillar of at least 4' height before taking up any activity / construction in the diverted land at project cost.
