

PART – III
(To be filled by the concerned Conservator of Forests)

1. Whether site, where the forest land involved is located has been inspected by concerned Conservator of Forests (Yes/No). If yes, the date of inspection & observation made in form of inspection note to be enclosed.

No. As per guidelines of MoEF GOI inspection by concerned Conservator of Forests is not required where diversion of Forest Area is less than 40 Ha.

2. Whether concerned Conservator of Forests agree with the information given in Part – B and the recommendations of Deputy Conservator of Forests.

Yes, I agree with the information given in part II and the recommendations of the Deputy Conservator of Forests.

3. Specific recommendation of concerned Conservator of Forests for acceptance or otherwise of the proposal with detailed reasons.

The said proposal is concerned with diversion of 4.04 ha Protected Forest Land for construction of power Grid-sub-station at village Bora, P.S Hunterganj. The proposed area is undulating and need soil and water conservation works in and around the proposed area. Water harvesting structures should be constructed in and around the proposed diversion of forest land for the availability of water to the wild animals as wild animals are found in the forest mentioned in Part-II 8(i).

The proposed Grid Sub-station construction is necessary for the power supply in and around Hunterganj Block and hence the present proposal may be accepted in the public interest.
