

PART - IV

(To be filled in by the Nodal Officer or Principal Chief Conservator of Forests or Head of Forest Department.)

17. Detailed opinion and specific recommendation of the State Forest Department for acceptance or otherwise of the proposal with remarks. (While giving opinion the adverse comments made by the concerned Conservator of Forests or Deputy Conservator of Forests should be categorically reviewed and critically commented upon).

The proposal pertains to diversion of 0.1 ha. of Angratoli Reserve Forest land for construction of Telekali Flow Irrigation Project by Water Resources Department, Baghmara. The purpose of the project by the Water Resources Department, Baghmara inside Angratoli Reserve Forest is to supply water to the paddy field to uplift the economic condition of the farmers of Telekali Village. The area of forest land being diverted is only 0.10 hectares with no felling of trees involved. The construction of irrigation will augment the water availability to both the agriculture fields and forest land.

Hence the proposal is recommended
