

## Environment Plan

The Proposed School Atal Adarsh Vidyalaya Satyas is at village Satyas PO Satyas Tehsil Churah District Chamba H.P.

The Proposed site is quite stable and is approx on the 10-20 slope. The strata of site is also very hard and there is no chance of erosion of land cause of construction.

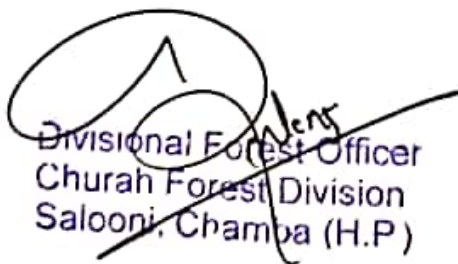

The construction of School shall not create much effect to the aquatic ecosystem.

Design facility/layout has been proposed keeping in view all the environmental aspects. Muck management plan has already been supplied with the proposal and uploaded on the portal.

Prior selection of the site a detailed consultation with local Pcb/ environmental Engineer was taken.

Further for the disposal of toilet/sanitation garbage proper septic tank and open tank for disposal of other garbage shall be constructed in the proposed forest land.

Further, we again submit that, this site is at very centre place and a huge population/villages shall be benefited with this School.

  
Divisional Forest Officer  
Churah Forest Division  
Salooni, Chamba (H.P.)

  
Deputy Director of Ele. Education,  
Chamba Distt Chamba.H.P.
