

Ref No.: CCR/2020-21/11-007

Date: 09.11.2020

To,
The Project Manager,
Bina PMU, WRD Sagar,
Sagar, Madhya Pradesh

Sub: In principal NOC from JTCL to WRD, Sagar for getting forest approval for shifting of transmission line in respect of the development of their Banda Irrigation Project

Ref: 1. Your intimation letter no. 415/TS/2018-19 dated Apr 04, 2019 (copy enclosed)
2. Letter from MoEF dated Oct 14, 2020 (File. No. 8-04/2020-FC) to WRD Sagar
3. Our Letter No. **JTCL/2020-21/11-006, Dated: 05.11.2020**
4. Your Office Acceptance Memo No. **948/Banda/2021 , Sagar Dated : 07.11.2020.**

Dear Sir,

This is in reference to MOEF letter under ref. No. 2, above, and your request for getting our no Objection certificate (NOC) as required by MoEF, in relation to your forest land diversion proposal. In the referred MOEF letter, "it is communicated that Six (06) power transmission lines including our 765 kV S/C Jabalpur-Bina line is passing through the project area and hence 'NOC' from these Transmission Companies (Licensees) needs to be submitted in relation to forest land diversion proposal."

In this context, vide our letter dated 05.11.2020, as ref. above 3, we had communicated the terms & conditions for the complete transmission line diversion works of our 765 kV S/C Jabalpur-Bina line to your office. Based on your good office acceptance of terms and conditions, vide your letter under ref 4, above, in respect of forest land diversion proposal of WRD Sagar for the development of their Banda Irrigation Project, JTCL hereby issues No Objection Certificate (NOC) for shifting of our 765KV Jabalpur-Bina S/C transmission line."

We understand and appreciate that the above project, being a state project and presently being carried out by WRD, Sagar, we would surely like to contribute and help WRD, Sagar in a proactive manner, to complete the state project..

Thanking You.
Yours Sincerely,

Authorised Signatory,

Date: 05.11.2020

To,
The Project Manager,
Bina PMU, WRD Sagar,
Sagar, Madhya Pradesh

Sub: Terms & conditions for granting NOC to WRD Sagar for getting forest approval from MoEF related to their dam construction & relating shifting arrangements- Regarding Acceptance.

Ref: 1. Your intimation letter no. 415/TS/2018-19 dated Apr 04, 2019 (copy enclosed)
2. Letter from MoEF dated Oct 14, 2020 (File. No. 8-04/2020-FC) to WRD Sagar
3. Online Meeting with WRD, Sagar, Dated: 03.11.2020

Dear Sir,

This is in reference to your request for getting our NOC as required by MoEF in relation to forest land diversion proposal and as communicated to you through MoEF letter dated Oct 14, 2020 (File No. 8-04/2020-FC) (letter attached). In that letter, it was communicated that Six (06) power transmission lines including our 765 kV S/C Jabalpur-Bina line is passing through the project area and hence 'NOC' from these Transmission Companies (Licensees) needs to be submitted in relation to forest land diversion proposal.

Further as discussed in meeting held on Nov 03, 2020 between WRD Sagar Officials, its Consultant TATA projects, Jabalpur Transmission Co. Ltd (JTCL) -The Transmission Licensee & Sterlite Power (Project Manager), following are the terms and conditions that were discussed and was accepted by WRD. The same needs to be accepted and signed by Competent/ Authorised WRD, Sagar, Official, before we issue the required NOC for the said subject:

1. **Approvals** – WRD, Sagar shall be responsible for obtaining all the statutory clearances & regulatory approvals, not limited to CEA / WRPC / WRLDC / MoEF/ Environment and Forest Clearances/ Wild Life/ National Parks/ Wild Life Sanctuaries/Civil and Military Air fields/ Civil Aviation/ PTCC/ Road/ River/ Indian Railways /Canals/Power Line Crossing/ State Govt Approvals/ Local authorities approval or any approvals required for shifting of our existing 765 kV S/C Jabalpur-Bina line on behalf of Jabalpur Transmission Company Limited, which is an inter-state transmission line, providing stability to our national Grid from concerned authorities/agencies.
2. **Right Of Way (ROW):** Right of way and way leave clearance shall be arranged by WRD, Sagar in accordance with the requirements of construction. Compensation for right of way & way leaves shall be given as per applicable law, rules & regulations, guidelines, and directives of local administrative and revenue authorities. Any incidental and commercial matter including litigation with respect to the above proposed modification of line including ROW shall be the responsibility of WRD, Sagar. Once all necessary clearances and approvals are obtained by WRD By releasing the requisite charges at their end, the works on ground will be allowed.
3. **Cost** – The dismantling and rerouting of the affected towers of 765 kV S/C Jabalpur-Bina line will be done on a cost-plus basis and all costs including but not limited to survey, design, testing, dismantling, erection, foundation, stringing, ROW cost, revenue & incentive loss, supervision charges & other relevant overheads etc will be borne by WRD Sagar based on the estimate prepared by JTCL. All payments in this regard shall be made in advance.

4. **Revenue Loss:** Due to shifting/modification of the above lines due to WRD, Sagar request, JTCL shall be incurring shut down/ disruption which will lead to revenue loss of our legitimate transmission charges, Hence WRD, Sagar, shall compensate in advance before start of work the revenue loss calculated by JTCL. All payments in this regard shall be made in advance by WRD, Sagar.
5. **Execution work** – As per Section 40 of the Electricity Act-2003, it is 's duty "to build, maintain and operate an efficient, co-ordinated and economical" transmission system for the term of the Transmission Licensee i.e. 35 years. Further, as per CEA norms "the overall responsibility of such modification works will lie with M/s JTCL only. Hence, the execution work for rerouting of the line will be carried out by JTCL only, considering that the asset will be operational for 35 years and our revenues are linked to the operation of the line in an economical and efficient manner.
6. **Duration of Work:** The estimated duration of outage of the proposed modification shall be based on assessment made by JTCL and further subject to WRLDC approval and may require multiple line outage.
7. **Taxes and duties:** All incidental taxes and duties, with respect to above proposed works, shall be payable at applicable Government rates by WRD
8. Delays beyond control of JTCL, resulting in any additional cost shall be compensated by WRD based on the claim(s) shared by JTCL.
9. The above works are subject to the outcome of the survey being carried out by JTCL, for which WRD, Sagar has already made the payments.

Please note that we shall issue the required NOC for getting the forest approval, only once these terms and conditions are accepted in writing by WRD Sagar

We understand and appreciate the above project being a state project and being carried out by WRD, Sagar and would surely like to contribute in this in a proactive manner.

Awaiting your acceptance.

Thanking You.
