

OFFICE OF THE EXECUTIVE ENGINEER PWD (R&B) DIVISION
RAMNAGAR

BRIEF NOTE

HISTORY & NECESSITY: -

55.0 mtr span prestressed box type bridge over Ujh Nallah with RHS approach structure & RHS approach with has been constructed under NABARD RIDF-XX. Bridge structure & RHS approach with CD works & pucca drain is completed in the year 2019. LHS approach road was not proposed under this sanctioned project under NABARD. Hence need arised to construct LHS approach road for this bridge which will connect the village Chigla Balota. By constructing this LHS approach road population of around 5000 souls will be benefitted.

Proposals & Specifications: -

It is proposed to construct 1 km length of LHS approach road upto BT level.
